At the November 25 Regular Board Meeting, to avoid a board quorum gap between the expiration of terms for three directors on December 6, until the regular board meeting on January 27, 2025, swearing in of the new board members, will be at the regular board meeting on November 25. (As was done in 2022) Procedurally, County Elections, Kim Smith, is notified and she sends the 'Certificates of Election and Oath of Office' dated November 25, 2024 to CPAD. At the November meeting, Director Bohlen, as President, will administer the Oath of Office to the new board members, followed by hand over of the gavel to the Vice President, Director Eagar. Director Eagar will act as president until the January board meeting.

With the swearing in, the elected board members are directors, and Director's Robertson and Bohlen terms on the board ends.

At the Regular January Board Meeting on January 27, 2025, per CPAD Policy 1.2.3.1 Board Position Elections, the Board President, Vice president, Treasurer and Secretary are elected or reelected to office. The election is always the first item of business on the agenda before New Business. Director Eagar as Vice President will chair the meeting. The newly elected officers assume their roles immediately.

Election of an officer requires a majority vote of the Board just like a normal motion. Nominations or volunteers may be accepted by the chair in an informal fashion, but a specific motion must be made and voted upon to finalize the decision of the Board for each position. No one Board member may hold more than one position.
