Dominic Coutches, Manager
Board of Directors
Cameron Park Airport District
3374 Mira Loma Dive
Cameron Park, CA 95682

Dear Mr. Coutches and Members of the Board:

The Summer Spectacular is back! The fireworks display will be part of the 18th annual event at Cameron Park Lake on Saturday, June 25th, and will be put on this year by Fireworks America. The display will essentially be the same size and scope as those of the previous years. The Cameron Park Community Services District (CPCSD) is requesting permission to use Baron Court and Boeing Road for parking at no charge to the CPCSD or those attending the event.

In reading some of the history of the event, it appears the relationship between Cameron Park Airport District and the CPCSD goes back more than 20-years in a partnership that helped Cameron park residents enjoy an exciting day at Cameron Park Lake culminating in an exciting fireworks display in the evening.

We understand that without this cooperation from Airpark Estates, the Summer Spectacular could not be held. It is the hope of the CSD staff, Board of Directors, and myself that you will consider this request in the community spirit for which Cameron Park is known.

I plan on attending your Board meeting on Monday, April 25th and look forward to meeting you.

Respectfully,

André Pichly, M.S., CPRP
General Manager
