Dominic Coutches, Manager  
Board of Directors  
Cameron Park Airport District  
3374 Mira Loma Dive  
Cameron Park, CA 95682

Dear Mr. Coutches and Members of the Board:

Before you know it the Cameron Park Community Services District (CPCSD) will be marketing our annual 2023 Summer Spectacular scheduled for Saturday, June 24<sup>th</sup>. It will include a fireworks Fireworks America. The display will be the same size and scope as those of the previous years. The CPCSD is requesting permission to use Baron Court and Boeing Road for parking at no charge to the CPCSD or those attending the event.

The relationship between Cameron Park Airport District and the CPCSD goes back more than 20-years in a partnership that helped Cameron Park residents enjoy an exciting day at Cameron Park Lake culminating in an exciting fireworks display in the evening.

We understand that without this cooperation from Airpark Estates, the Summer Spectacular could not be held. It is the hope of the CPCSD staff, Board of Directors, and myself that you will consider this request in the community spirit for which Cameron Park is known. We will provide the Airpark with a certificate of insurance.

Respectfully,

André Pichly, M.S., CPRP  
General Manager
