RE 2024 request for Facilities use

Thanks to the efforts of many local organizations such as Cameron Park Airpark and Cameron Park Airport, we are in the planning stages for the 9<sup>th</sup> Annual Props, Cops and Rodders Show and Shine Fly-in.

Through the efforts of organizations such as yours and the many public agencies we had a successful year. Last years donations were \$24,000 after expenses that were able to be distributed to County Non-Profits. With your continued support we hope to be able to continue our ability to support these worthy non-profit agencies.

We are again requesting the use of your facilities for our September 28, 2024, event. With your approval of our request and a formal letter from your organization is to be submitted to the County to obtain a use permit. Your acceptance letter can be mailed to Placerville CHP c/o Richard Concannon 3031 Lo-Hi Way, Placerville, CA 95667, or I can pick it up personally by contacting me @ 925-330-3505 or email [asilomarrk@sbcglobal.net](mailto:asilomarrk@sbcglobal.net).

The event has hosted an average of 300 plus cars and 25 Airplanes as well as First responder agencies to enhance public awareness and capabilities.

As in years past, we will provide a copy of our insurance policy with the required coverage your organization has required.

Thank you in advance for your consideration of continued support to this community event and the non-profit agencies that benefit from this event.
