

IMPORTANT NOTICE:
NOTICE OF STREET CLOSURE FOR SLURRY SEAL WORK
PLEASE READ CAREFULLY

Dear Resident,

Your street has been scheduled for **Slurry Seal** as part of the communities street maintenance program. This work helps extend the life of your street,

WHEN

Date: See reverse side of this notice

Time: 7:00 AM – 5:00 PM

Note: Work is weather-dependent. If rescheduled, you will receive a new notice.

WHAT TO EXPECT

- **Road Closed to All Traffic (Including Bicycles and Pedestrians):** No access will be allowed during work hours. **Temporary traffic plan will allow access to the remainder of the community throughout the day.**
- **No Parking:** All vehicles must be removed from the street by **7:00 AM**. Vehicles left in the work zone will be **towed at the owner's expense**.
- **Drying Time:** After treatment, the slurry seal takes up to **4 hours** to cure. (Cooler weather can extend this time) Driving, walking, or biking on the surface before it dries can cause damage and permanent stains to vehicles, shoes, carpets, and floors.
- **Driveway Access:** You **will not be able to enter or exit** your driveway during the closure. Please **plan ahead**.

SAFETY REMINDERS

- Keep **children and pets** away from the work area.
- Do **not water lawns or wash vehicles** on the day of work as runoff may occur. Moisture on pavement surface may cause material not to set properly.
- **Emergency vehicles** will have access at all times.

TRASH & RECYCLING

If your scheduled slurry seal date falls on your garbage/recycling day, collection may begin as early as **6:00 AM**. Please place bins out the night before. There will be no disruption to trash service day.
